Plumbers Corp bathroom makeovers and renovations offer a complete package from start to finish, co-ordinating all trades & supplies.

At your in-home consultation, your Plumbers Corp bathroom designer will discuss layout, design and the products that best suit your lifestyle and budget. Our mobile showroom means you can view the actual products before you decide.

We understand the disruption a bathroom renovation can cause so we offer the same professional advice and support as our plumbing service. Your assigned project manager will ensure your renovation is completed on time and to an agreed budget.

Our hand-selected range of premium quality bathroom products, equipment and accessories are timeless in design and adaptable to a range of interiors. We've put together three packages from which to choose - and our fully installed pricing policy ensures there are no hidden extras.
